Detailed course description

This programme offers the student the opportunity to develop hairdressing skills, in the workplace and at College. The qualification consists of a number of units including safe working practices, employability skills, practical skill development in cutting, colouring techniques, styling and perming the hair. There is a choice of optional units that can be taken and you will be guided by your lecturer when making your selection. You will also take part in creating a look for an event, to develop your creative side. You will attend College one day per week on Mondays, and work in your salon for the remainder of the week.

The course is a three way contract between salon owner, College and the student. Communication regarding your progress will be continuous and relayed to you via your work based assessor and one to one tutorial.

Learners are expected to provide clientele for assessment's in the salon.
