Welcome to our salons

Everyone deserves to be pampered, so why not do it locally for much less than you would pay in a high street salon? Not only will you leave us feeling relaxed, satisfied and looking gorgeous, but your bank account will thank you too.

Inspirations Hairdressing and Barbering Salons are located on both the Dartford and Gravesend campuses. We open most weekdays and on selected evenings to offer a comprehensive range of hairdressing and beauty therapy treatments to the general public.

Our students provide all of the services as part of their training. They work under the supervision of their lecturers to gain valuable experience in a real salon environment.

>Learner levels explained

Our level 2 hairdressing students are intermediate level students, with a solid foundation of knowledge and practical hairdressing experience within the salon environment.

Level 3 learners have completed level 2 and have developed the skills and knowledge to progress onto an advanced level of training. In addition to their College training they must work a minimum of 3 hours per week. This develops their professional experience, and ensures they attain a diverse set of advanced skills within a range of industry settings.

Students are taught to the highest level of technical and practical ability at the College and are encouraged to be independent within the salon environment. However, learners are always supervised by fully-qualified staff members who support students to ensure a high quality service at every visit to our Salons.

Dartford Salon

01322 629501
Oakfield Land,
Dartford
DA1 2JT

Gravesend Salon

01322 629606
Dering Way
