

**Mission: To Excel and To Inspire**

#### **Aim 1 – Excellent Outcomes**

- our success rates maintain our position in the top 10% of Colleges nationally year after year; and
- our students will be equipped with the skills and experiences they need to progress and succeed in their chosen career path.

#### **Aim 2 – Inspirational Teaching and Learning**

- our expectation is that all teaching and learning will be good or outstanding; and
- our culture will support innovation and experimentation to provide a unique and exciting learning experience.

#### **Aim 3 – Excellent Engagement**

- our courses will constantly evolve to reflect the needs of local, regional and national employers and the wider community to ensure our students have the best opportunity to secure employment; and
- our quality and reputation will be such that we will be seen as the first choice for local and regional stakeholders requiring a vocational training solution.

#### **Aim 4 – Inspirational Staff**

- our people will constantly demonstrate that they are outstanding in their aspirations and commitment; and
- our people will be experts in their field and be supported to achieve their maximum potential.

#### **Aim 5 – Excellent Resources**

- our courses are delivered in high quality accommodation and use equipment and facilities that are equivalent to national industry standards; and
- our financial position remains secure.
