

University of Greenwich Progression Rulings for Foundation Degree in Early Years

Progression into BA Early Years at the University of Greenwich:

Students can directly progress from completion of the Foundation Degree in Early Years qualification into year 3 of the Early Years, Education Studies, Primary Education qualification at the University of Greenwich providing they have achieved a threshold grade point average of above 55% (2:2 standard) at level 5 (year 2) of the Foundation Degree.

If students have achieved the Foundation degree Early Years qualification, but have not met the above criteria, they are eligible to enter year 2 of the BA Early Years, Education Studies, Primary Education qualification at the University of Greenwich.

Progression into Early Years, Education Studies, Primary Education qualification or Similar Programme at an Alternative University:

Students completing the Foundation Degree in Early Years qualification may also wish to apply to alternative Universities for year 3 entry into a degree programme.
