

Frequently Asked Questions

What happens once I confirm my offer with UCAS?

If it's an unconditional offer - the place is yours! So we will be expecting to see you in September. If it's conditional - the place is yours if you meet the entry requirements stipulated in the offer. Just in case you don't meet the entry requirements, you can pick a second offer as a backup – your insurance acceptance. If you are just below the required grades, you may still be able to gain a place on your first choice programme, so please contact us if that is the case.

How do I let the College know my grades?

We get sent most grades from UCAS, however, if you wish to check that we have them, or send them to us anyway; you can do this by [emailing us](#).

When will the college let me know about enrolment?

We will write to you in August with details of your enrolment with NKC.

Will I receive a graduation ceremony?

Yes you will. The College offers a Higher Education graduation ceremony in July, where we celebrate your successes.

Can I apply via UCAS Clearing?

Yes, visit UCAS Clearing from when it opens in June and apply for the course of your choice. After A Level results, this is the best way to apply, but call our Clearing hotline on **01322 629580**.

What do I need to bring in when I enrol?

- Proof of identity - a valid passport, EU identity card or British birth certificate
- Original education qualifications/certificates
- Student Finance confirmation

I have applied for my student loan, but it has not come through?

Don't worry! Bring in any paperwork you have received from the Student Loan Company to enrolment. Please note; you may not be able to fully register without financial confirmation of your loan.

My grades are not what I expected?

Don't worry, let us know and maybe we can still help you by offering an alternative programme. If you just miss out, we may be able to accept you, email us at he@northkent.ac.uk.
